## 2007 Neighborhood Bike Parade

Kevin Forbes shows off his custom T-shirt "Walk'in The Plank -Proud Lake '07." Kevin said the shirt was made for him while he was on vacation in Florida. The artist created this work of art in just 30 minutes!

The neighborhood children and adults met at Tiley Circle to start their journey to the beach lot. The parade was led by the biggest kid in the neighborhood, Bill DesRochers. There were many smiles and happy faces as they enjoyed a refreshment when they reached their destination!

### Board Vacancy / Committee Leaders

Are you interested in becoming involved in your neighborhood? We have a board vacancy and new committees which need leaders. We would love to have your suggestions / involvement. Contact a current board member or come to our next general membership meeting October 16th.

### Beach Access Update

We have continued to collect dollars that have been set aside for our beach access enhancement project. We are in the beginning stages of determining the scope of our project and hope to start requesting bids from the necessary vendors. Stay tuned for more news on this long awaited project.
